

Protect. Contain. Secure.

## Castle® Acrylic and Hot Melt Carton Sealing Tapes

Mac Papers and Packaging is pleased to offer its exclusive Castle® brand of acrylic and hot melt carton sealing tapes in hand and machine length rolls. Castle tapes deliver reliable and consistent performance for your most demanding needs. All Castle brand products are inventoried at Mac Papers and Packaging locations and available for next-day delivery.

### Features and Benefits

**Castle® Acrylic Tape:** provides a high-quality seal, superb clarity, excellent shear strength and optimal performance for all-temperature sealing at greater than 40° F and less than 120° F. Superior quick-sticking performance and controlled unwind makes Castle acrylic tape an excellent choice for hand applications or dispensing on case sealing equipment.

**Castle® Hot Melt Tape:** designed for optimal closure of high content recycled corrugate, Castle hot melt tape offers the widest range of application flexibility available for both hand applied and automated equipment applications. Superior adhesion properties, holding force, tensile strength and easy unwind ensure consistent, reliable seals on a variety of corrugated and linerboard boxes.

*We sell & service equipment too!*
